As discussed can you please get back to Anita regarding the analyzer. She knows that I have forwarded the details onto you.

**And finally I need an analyzer 7910201 to be send and invoiced to here as well is that possible?**

Dear Steve,

Greetings from a sunny Denmark, I have a few questions from Jan

-We have some cells (as warranty), is it something about you will send us a return number?

-When can we expect the June batch of cells ?

-And finally I need an analyzer 7910201 to be send and invoiced to here as well is that possible?

Have a great day

Kind regards

Anita Marshall
