Good morning Lex,

Thank you very much for your order.

I regret to inform you that we are currently out of stock of the R-33DE sensors. We are aiming to have them available by the end of the month. I am very sorry for the inconvenience, these sensors are nearly always available from stock, but the pandemic has had an effect on production times.

We will place your order in the queue for when they become available, but please let us know at any time if you would prefer to cancel your order

Kind regards

Gail Bell
