Hi!

Great!

Can you please increase our order of R-17VAN for another 2 pieces (altogether 7 pcs.)? Amount of R-33S1 stays the same (1 pc.).

We would like to make a payment with credit card. How to send you card details?

Best regards,

Igor

Hi Igor

I am pleased to inform you that they arrived 30 minutes ago. We still need to test them, but I hope we can start to process orders tomorrow afternoon.

Best regards

Hi Igor

I apologise for the delay in my reply.

The R-33S1 was due to arrive last week, but was delayed. The new expected delivery date is now next week sometime.

Best regards

Ryan

Good morning Igor,

Unfortunately we are out of stock of the R-33S1 sensors. We are expecting to receive another batch in June. We could part ship the R-17VAN sensors if you wish or you can wait until they are all available all together?

Please find attached your proforma invoice MAN130370 for your approval and payment.

Please check that all the details are correct including delivery address.

Our payment details are on the invoice or if you prefer you can call 07803 907117 and provide credit card details.

Once payment is received and stock is available we will ship your order.

Kind regards

Gail Bell
