Good morning,

Thank you for your order.

Please find attached a proforma invoice.

We are currently out of stock of these sensors and the lead time will be approximately 6 weeks. Due to demands and the current situation, we recommend that proformas are paid for as soon as possible to secure the stock we have coming in.

If you require any further information, please let me know.

Kind regards

Sarah Walton

Customer Service Representative

Please note: Viamed is now enacting a coronavirus contingency plan to allow sales and admin Staff to work from home, and I am now working remotely. Telephone calls to the main office will not be answered, but emails will. Orders may take longer to process but we aim to continue to operate and serve our customers as best we can.
