Hi Hans

I apologise for any inconvenience and I hope you and your family are well.

As of March 2020, most of us have been working from home and at the same time, we introduced a new accounts package that we can use remotely. Unfortunately, our internal memos, such as "use credit card for payment", have not been transferred across.

If you would like to continue to pay by credit card for future purchases, then I can give you a call for your card details and set it back up for you? With regards to the existing balance, would you like to pay this on card also? Alternatively, you can settle this by bank transfer.

Best regards

Ryan

| Hello Ryan,

we checked it, and you are right, but before you just took our creditcard....

Can you send us a payment link or what is the best way to do this?

Best Hans
