I would be happy to email a quotation, but I need your invoice and delivery addresses in order to set up a new account for you. That is how our system works.

Should I use the following for the delivery and invoice addresses:

Aqua-Terra Solutions Pte Ltd

Singapore

Many thanks.

Kind regards

Thank you.

Please could I ask for your invoice and delivery addresses in order to email you a proforma invoice showing carriage charges (with weights and dimensions), bank charges and insurance? You are of course under no obligation.

Kind regards

Good afternoon Ranny,

Thank you for your enquiry.

The price of the AN300, part number 0111205 is \$450 EXW. We do not have a distributor in Singapore.

The AN300 will be discontinued once stock has been sold, the lead time would be approximately 5-6 weeks from date of payment for the sensor that is included with this. I cannot guarantee that the three AN300s we have in stock will be available for very long.

Please let me know if you require any information on alternatives to the AN300.

Many thanks.

Kind regards

Kate Griffiths
