Dear Ayesha

Unfortunately we do not currently have a neonatal flow sensor. However, we will soon be releasing a hot wire flow sensor for use with the Draeger Babylog, we will have both reusable and disposable versions.

Best regards

Ryan

Dear Ryan,

This is ayesh from Technomedics who is working with Terence.

Kindly refer to the below sensor

Part number - 4310003 - differential pressure

Also, confirm that do you have a neonatal flow sensor?

Is it Reusable /disposable?

Thank you & **Stay safe**
