Hi John,

Thank you for your reply.

I will email you a proforma invoice later this morning. Upon receipt of payment, we would aim to ship the next working day.

We accept bank transfer, credit card payment (a colleague would ring you after you accept the proforma invoice) and PayPal (this would involve a fee of 6% of the total order which I would be happy to pay).

I will email you a proforma invoice shortly.

Kind regards

Kate Griffiths
