- 1) Please supply the Goods or Services on this Purchase Order in accordance with JJS Manufacturing Limited Terms and Conditions.
- 2) Products you supply are to be compliant with, amongst other things, all applicable RoHS Directive, REACH and Biocidal Regulations, and other similar or related environmental, product composition or material declaration laws. You shall notify JJS Manufacturing Limited in writing of any proposed change to the Goods that would result in any Goods not complying with any of the above regulations or laws.
- 3) JJS Manufacturing Limited reserves the right to reject any component supplied, where the date code for that component is older than 2 years before the requested delivery date. JJS Manufacturing Limited's authorization must be obtained in writing before components that do not match this requirement are shipped.
- 4) Carriage Term for this Purchase Order is "Delivered Duty Paid".
