Good morning Ali,

I am trying to create your proforma invoice, but the UPS courier website that we use to obtain carriage charges is asking for a longer postcode than 734. Are you able to provide that for me please? Could I also ask if your business

partner in Tajikistan has used UPS successfully before? Whichever longer postcode option I use, it does not let me proceed.

I will try again with the longer postcode that you hopefully are able to provide and let you know if I succeed.

Many thanks.

Kind regards

Kate Griffiths
