Hello Ryan..

Could you take the following order ?

- 10 sensors R49V (as OOM202)
- 2 sensors Ata Trimix
- 1 sensor O2 E II
- 2 VN202 as usual

For the R49V I need a paperwork as certificate of conformity.. or any ISO.. it's to be send to Gabon (they have inspection procedures called Aganor..)
Invoicing as usual

Best regards
Francis
