Dear Kate,

Thanks for your offer.. this order is exactly like previous ones:

Reg boxed or unboxed, on the condition that the packaging without box for each item is convenient & seaworthy, we can accept unboxed sensors.

pls check in case you put all these 100 unboxed sensors in one box, will you consider a special wrapping for each item to avoid any damages during the journey.. I suppose just a plastic bag wouldn't be convenient.

All should be somehow fixed in the box.. Pls let me know...

Reg carriage charge, pls quote too.

Reg ATR, yes, please.

Pls issue the P/I to below cnee:

Good morning Farshad,

Thank you for your email. I am very well, I hope you are too.

The price of R-22A automotive sensor is \$23.20 each EXW (when purchasing 100).

**Do you require the ATR from Chamber of Commerce (scanned and with the shipment) and a copy of commercial invoice as per your last order? Also, do you require boxed or unboxed sensors?**

Please let me know if you require a proforma invoice detailing carriage charge, bank charges and insurance.

Many thanks.

Kind regards

Kate Griffiths
