Betreff: Request for a quote regarding Max-250(B) oxygen sensors

Dear MS. Teal,

Good Morning. I hope you are doing well.

I am Anurag Katta, Application engineer from DISTECH Disruptive Technologies GmbH, Austria. I hope you remember that we had a phone call yesterday in the morning regarding the same issue as mentioned above. As you have suggested, I attached the part specification table below. I think it would be helpful for you to understand our requirements clearly. We may need around 3- 4 sensors in total.

I hope, the details presented are clear enough for you and please do not hesitate to contact me in case of any further queries.

I am looking forward for your response with a quote and a fast reply would be highly appreciated.

Thanks in advance.
