Good afternoon George,

Thank you for the clarification. The sensor you need is the R-22vi, our part number 0110020 (single) or 0110072 (pack of 2). Please could I ask how many you require please, then I can assist you further.

We are expecting stock of this item to be available in the next few weeks.

Many thanks.

Kind regards

Kate Griffiths

Good morning George,

Thank you for your enquiry.

Are you able to tell me which device you would use the sensor in please? I am unable to find PSR 11-917-MHT on our system.

Many thanks.

Kind regards
