

The image shows the front cover of the manual for the SpiroTrue A Flow sensor. The cover is white with a blue spiral binding on the left side. The top left features the 'SpiroTrue® A' logo in blue and black, with 'Flow sensor' written below it. The top right has the 'bluepoint MEDICAL' logo in blue. The center of the cover displays a barcode with the numbers '1 0 3 0 1 3 2 0 0 6' underneath. Below the barcode is a row of five icons: a box labeled 'P/N', a box labeled 'LOT', a box containing 'XXXXXXXXXX', a box containing a waveform and 'mm-yyyy', and a box containing 'bluepoint MEDICAL GmbH & Co KG'. To the right of these icons are three circular symbols: a crossed-out square, a crossed-out circle, and a crossed-out triangle. At the bottom left is a small black silhouette of a factory. At the bottom right is a large 'CE' mark followed by the number '0482'.
