Morning Keith,

I work in the sourcing team at Addenbrookes Hospital, Cambridge. I understand that one of my clinicians from our Neonatal Intensive Care Unit has been in touch, either with yourself or a colleague, around phototherapy goggles that Viamed offer.

We are interest in acquiring a few further samples, to evaluate on patients, so clinical samples opposed to table-top. Alongside this could I also ask for a quotation please?

Kind Regards,

Matthew Cooper | Procurement Manager

Thanks Zoe,

Apologies I was simply looking at a rollerdex – I shall discard his card.

I believe Paula passed them on to the clinician; the clinician is now hoping for a few more to try on a small section of patients, to ensure they do indeed meet expectations. Is it possible to perhaps get 2 or 3 of each size?

Hello Matthew,

In order for us to issue the order that is even free of charge we would need an address as our systems do not allow us to proceed without one.

If you have any further queries, please do not hesitate to contact me.
