Hi Rosil,

Sorry for the delay in getting back to you, I do not work on Thursdays. All orders should be sent to [orders@viamed.co.uk](mailto:orders@viamed.co.uk) to make sure someone picks them up.

I've processed your proforma so please find this attached.

Please can you also clarify the R-23MED - is it the R-23V you require, this is the Viamed compatible version?

Please can you review the attached statement of your account and make any balances due with the above proforma.

Kind regards

Dear Roshil

As part of our ISO standards Post Market Surveillance you last purchased R-48V (0110048) oxygen sensors in February 2021.

Please can you please advise us if you have an on-going requirement for this sensor type
