Hi Sarah

As discussed on the phone I will get a purchase order system set up for future cell orders. I have also put our new delivery address at the bottom of the email for the changes to be made to our account. Can I order 50 x 8010017 cells please. If you can confirm the order that will be great. Our new shipping address is

VMS/ Mammu-Tech
Unit 1B Upton Business Park
Welland Road
Upton Upon Severn
Worcestershire
WR80SW

Cheers
Ty
