Good morning Tracy,

Thank you for your enquiry.

The price breaks for part number 0110017 - R-17MED are as follows:

1 = £ 42.00	2 = £ 38.00 each	3-10 = £ 36.00 each	11 or more = £
-------------	------------------	---------------------	----------------

Carriage is free for medical oxygen sensors and all prices are excluding VAT. (If you are VAT exempt, we would need a VAT exemption certificate).

If you would like me to issue a proforma invoice, please let me know. Your Viamed account number is 00013038 in case you need to know.

Many thanks.

Kind regards

Kate Griffiths

Hi I wonder if you can help me.

I need to purchase an Oxygen Sensor Class R – 17Med for our Therapy Centre.

I believe we have purchased one from yourselves before and you may have been contacted by our former ceo admin@hopemscentre.co.uk.

Unfortunately Vanessa no longer works for us so I do not have any further details.

I would be grateful if you could either call or email me with details as to how I may purchase one as soon as

Thank you for your help.
