Good afternoon Scott,

Thank you for your purchase order.

Please could I advise you that part number 0110409 - which is a MAX-9 sensor (**this is the sensor that matches the part number on your order**) costs £74.80 each when purchasing three. The description on your order says R-13 sensor, this has been superseded by the MAX-9 (0110409).

Are you happy for me to proceed with your order?

Many thanks.

Kind regards

Kate Griffiths
