Hi again Carol,

The lead time for part number 0212012 would be approximately 4-6 weeks. Please let me know if you require an official quotation.

Many thanks.

Kind regards

Kate Griffiths

Good afternoon Carol,

Thank you for your enquiry.

The price of part number 0212012 - temperature probe - oesophageal/rectal is £73 each. Carriage is free to a UK address and all prices are excluding VAT.

I have asked our commercial director for an approximate lead time as this is not a stock item.

If you would like a proforma invoice or quotation, I would need your delivery and invoice addresses in order to set up a new account for you. Also please could I ask the quantity you require.

Many thanks.

Kind regards

Kate Griffiths

Good afternoon

I am part of the procurement team responsible for buying on behalf of, the Defence Science and Technology Laboratories (Dstl).

We have received the following purchase enquiry and would be grateful if you could provide, within the next 2 working days, a quote for supply of the item(s) and a provisional estimate of delivery time following receipt of a Purchase Order. Please ensure your quote covers the total cost of the transaction to include such items as insurance and delivery costs.

Part number 0212012

Product name : Temperature Probe - Oesophageal/rectal - neonatal

GTIN / EAN13 5051826002353

Probe: 2mm
Connector: 6.35mm (1/4") jack (mono) Right Angled

If this quote qualifies for any Dstl/MOD specific discounts or special pricing then that would be much appreciated.

If, however, you consider you are unable to provide a quote for this requirement then please let me know by return.

If you require any additional info relating to this enquiry please do not hesitate to contact me. I look forward to receiving your quote shortly.

This request is subject to contract and order placement will be subject to Dstl's standard terms and conditions, a copy of which is available on request.

Thanks

Carol
