Good afternoon Asha,

Thank you for your enquiry,

Unfortunately we do not currently have a Capnograph monitor we can offer, but we can supply the Handi+ Oxygen analyser with integral sensor, part number 0111250. The price is \$147 each EXW.

If you would like a proforma invoice detailing carriage charge, bank charges and insurance, I would need your delivery and invoice addresses in order to set up a new account for you.

Please let me know if I can be of any further assistance.

Many thanks.

Kind regards

Kate Griffiths
