Kathy,

My bad, that was a snap decision. . .can we have it back please (unrepaired) what I have just been reminded was that we, then you, then Germany couldn't find a fault, and only then did Germany say "oooo total failure. .needs expensive repair"

Lets get it back please.

Sorry for the too and fro

Kind regards

Mike

Hi Cathy,

The client has come back to us, they no longer require the capnograph we were talking about on QVM131705.

If you have it we'll get rid if it's still in Germany then what is the cheapest easiest way to get rid of?

Kind regards

Mike
