Dear Leonor,

Thank you for your reply.

I have spoken to my Commercial Director and unfortunately we are struggling to improve on this delivery time. We can however offer an alternative if this is suitable, this is the SpO2 Silicone Finger Sensor - Adult (part number 0014752).

Please can you confirm if you would be happy to receive one of these as an alternative? If so, we will be able to ship your order by the end of this week/early next week.

If you have any further queries, please do not hesitate to contact me.

Kind regards

Zoey Teal

Please note: My working days are Monday to Thursday, 7.45am-6.00pm.

We are currently working remotely however telephone calls to the main office will still be answered.
