Good afternoon,

Thank you for your reply.

Please can you confirm if you would like the following?

- 1) Remove the KE-25 (part number 0110524) ? Confirm — out from order
- 2) Reduce the quantity of MAX-250(B) + connectors to 10 pieces, not 20? In invoice 250, A 250, E 250K only. It need to include MAX-250(B) + connectors--- 10 complete

Please be aware if we use UPS courier, we can't be responsible for importation issues. Do you have a different courier which you would prefer?
