Dear Thiago

Thank you very much for your email, please accept my reply.

We would be very happy to continue working with you under the same conditions as before. Please find our trade price list attached.

I look forward to your response and I welcome any questions you may have.

Please note that we are out of stock of most sensors at the moment, as manufacture has been prioritised towards medical sensors because of the pandemic. We are hoping to have more stock available in September.

Kind regards

Dear Gail,

After 15 years working for Totalmat, I would like to inform you about my departure and thank you all for all the work we have shared together.

I'm starting a new challenge with my own company, The Under Pressure Equipments.

I hope that all of you, family and the Vandagraph team are safe in the midst of all this pandemic that we are facing.

Is it possible to quote with you the Oxygen Sensor R-17VAN ?

Thanks in advance,

Dear Thiago

Thank you very much for your email, please accept my reply.

We would be very happy to continue working with you under the same conditions as before.
Please find our trade price list attached.

I look forward to your response and I welcome any questions you may have.

Please note that we are out of stock of most sensors at the moment, as manufacture has been prioritised towards medical sensors because of the pandemic. We are hoping to have more stock available in September.

After 15 years working for Totalmat, I would like to inform you about my departure and thank you all for all the work we have shared together.

I'm starting a new challenge with my own company, The Under Pressure Equipments.

I hope that all of you, family and the Vandagraph team are safe in the midst of all this pandemic that we are facing.

Is it possible to quote with you the Oxygen Sensor R-17VAN ?

Thanks in advance,

Dear Gail,

After 15 years working for Totalmat, I would like to inform you about my departure and thank you all for all the work we have shared together.

I'm starting a new challenge with my own company, The Under Pressure Equipments.

I hope that all of you, family and the Vandagraph team are safe in the midst of all this pandemic that we are facing.

Is it possible to quote with you the Oxygen Sensor R-17VAN ?

Thanks in advance,
