Dear Derek Lamb:

This e-mail provides confirmation that the annual registration for the medical device establishment shown below has been successfully completed for 2010 and that the 2010 registration user fee of \$2,008 U.S. has been received by FDA for this establishment.

If there is no registration number in this email and your establishment previously had one, please send an email to [reglist@cdrh.fda.gov](mailto:reglist@cdrh.fda.gov) and include the registration number you believe is assigned to your establishment. We will review and determine if a duplicate registration has been created for your establishment.

Your registration is valid through December 31, 2010. Registration for 2011 will be conducted between October 1 and December 31, 2010. An e-mail will be sent to the owner operator and the official correspondent 90 days before the facility is required to re-register with updates on how and when to re-register.

Please note that registering your device facility and listing your devices does not, in any way, constitute FDA approval of your facility or your devices.

Should you have any questions, please send an e-mail to [reglist@cdrh.fda.gov](mailto:reglist@cdrh.fda.gov).

Do not reply to this email address - [rlmail@cdrh.fda.gov](mailto:rlmail@cdrh.fda.gov) - as it is not monitored for incoming emails.
