**Preserve your valuable cash-flow,
apply to finance your Corporation Tax with Premium Credit**

Thank you for using Premium Credit to spread the cost of your insurance premiums.

As a valued customer, who already benefits from our service, we thought you would be interested in finding out more about a new product we have launched that helps you spread the costs of your HMRC Corporation Tax bill, particularly given the very challenging trading conditions we face today.

Key advantages of using Premium Credit to finance your HMRC tax bill:

- You can maintain working capital for other areas of your business
- Flexible repayments – spread the repayments over 6, 10 or 12 months to suit your budget
- New line of credit with no assets charged as security – existing funding lines are not impacted
- Competitive Transaction Fee
- Trusted Provider – You already trust us to finance your insurance premiums
- Simple online application process which you can access via:

www.payyourtaxmonthly.com

To start your application, you will need your:

- 17-digit tax reference number
- tax liability invoice
- latest set of accounts.

If you have any questions or your tax isn't due yet please call us on: 0207 191 2417 or email us direct at payyourtaxmonthly@pcl.co.uk where we will be happy to help.

We look forward to working with your business once again, many thanks for your ongoing support.

Yours faithfully,

Roger Brown
