Hi Sarah,

Steve wrote me the following: *b) For your current order dated 13th September, we have 39 sensors reserved and are awaiting the balance of 11 from production.*

I will have to make the payment for that order this week (50 sensors). Please send me a proforma invoice and make sure that the shipping service will also be the UPS Express saver (by air, delivered on next business day).

Thank you for your time and help.

Best regards,

Dimitrios

Hi Steve,
