Hi Mohammed,

The oxygen sensor 0110432 - MAX-250(B) is currently in stock. We have a few of the connectors in stock currently, but as many as you need.

We would ship as soon as possible after payment is received if stock is still available.

If you require a proforma invoice detailing bank charges, carriage charge and insurance, I would need your delivery and invoice addresses in order to set up a new account for you.

Many thanks.

Hi Mohammed,

We are no longer able to sell the sensor with the connector attached, but the parts I listed: 0110432 & 0131527 make up the item in your photograph. I am sorry about the lead time, but wanted to let you know ahead of any order you might place.

I hope this helps.
