Good morning Mehedden,

Thank you for your email.

Please could I ask how many R-22MED (0110021) you require? I can then issue a proforma invoice (or quotation if you prefer) showing carriage charge, bank charges and insurance.

According to our cross reference, the R-22MED is compatible to Analytical Industries 11-39.

The price breaks are as follows:

1 = \$ 63.50	2 = \$ 57.15 each EXW	3 - 10 = \$ 53.98 each EXW	11 or more = \$ 50.80 each EXW
--------------	-----------------------	----------------------------	--------------------------------

Many thanks.

Kind regards

Kate Griffiths

Dear Ms. Griffiths,

Can you please send us your best price offer for the R-22MED sensor with shipping charges to Beirut, Lebanon.

Is this a replacement to Analytical Industries 54019-2/XLT-11-39-2
