No probs – the suction liner is 57187.

Ages and ages ago Derek and I discussed the option of adding a -1 to the codes for this kind of invoice. Maybe we should look at this again.

Thank you, sorry, **I completely missed the suction liner 3ltr £3.98.**

Our system only allows me to use the part numbers with -5 on the end, but I will adjust the pricing accordingly.

Thanks for your help.

Kind regards

Kate Griffiths

Hi Cathy,

Apologies, that's a typo. The new customer reference should have been updated to HM5019. Please go ahead and invoice them using this reference.

Hi both,

Just checking this hasn't already been done as we have an order on the system for the Duchy with the same PO - HM5018. Please see attached.

Perhaps you need me to take just one line from HM5018?

Thank you.

Kind regards
