Good morning Stefan

Thank you for your reply. Please could I ask which MaxO2+AE you require - 0111261 or 0111262?

Part number 0111261 has a **longer sensor cable** - coiled cable length: 3ft (0.9m, extends to 10ft (3.0m). This item is currently in stock

Part number 0111262 has a shorter sensor cable - coiled cable length: 2ft (0.6m), extends to 6.5ft (2.0m). **This item is NOT currently in stock.**

Many thanks.

Kind regards

Kate Griffiths

Good afternoon Stefan,

Thank you for your enquiry. Unfortunately, we are no longer able to supply the AX300 due to CE certification.

Some alternatives are as follows:

0111261 - Oxygen analyser MaxO2+AE - €256.90 each EXW (currently in stock)

0111262 - Oxygen analyser MaxO2+AE External sensor - €256.90 each EXW (not currently in stock)

0111250 - Handi+ Oxygen analyser with integral sensor - €133 each EXW (currently in stock)

I have attached a leaflet for your information so you can see if any are useful to you.

Please let me know if I can be of any further assistance.

I would be happy to issue a proforma invoice if you decide to proceed. I would need your delivery and invoice addresses in order to create a new account for you.

Please could I ask you for your VAT number?

Many thanks.

Kind regards

Kate Griffiths
