Dear Sarah,

Thank you for your email. I hope you are well.

Please, be so kind to not to mix the current order with the interest of Mr. Jutas The 50 pcs KE-25 is for sale and urgent, Mr. Jutas is searching for an oxygen sensor for development purposes. I guess it will take a longer time.

I appreciate your understanding.

Üdvözlettel / Best regards

András

Dear Jutas,

Please accept my reply.

Thank you for your email.

I am not sure whether Zoey advised that we are currently out of stock of the MAX-25 sensors. The lead time is approximately 6 weeks.

Would you like me to add the 2 x 0110466 to your current order? The unit price for these sensors is €87.50 EXW.

I will wait for you to advise how you would like to proceed.

Kind regards
