Good morning Houssein,

Thank you for your email.

I have checked with Ryan Swaine and he suggest the **T-7V** would be a suitable alternative to the Mox-4 (not in stock). The T-7V, part number 0110058 costs \$31.50 each EXW and is currently in stock.

I have attached a specification sheet for your reference.

If you would like a proforma invoice, please let me know if you need it to be in **USD or £ sterling**.

Many thanks.

Kind regards

Kate Griffiths

Viamed is now enacting a coronavirus contingency plan to allow sales and admin staff to work from home, and I am now working remotely. Telephone calls to the main office will be answered remotely, but please continue to use email where possible.
