Good afternoon Cristina,

Thank you for your reply, I will use DHL on your order - do you have a DHL account number please? I am just waiting for weights and dimensions from our warehouse team and I hope to let you know later this afternoon.

Please could I check your delivery address for the order? The address on the PO is as follows:

Emedic Medical Group, Av. Rey Juan Carlos I, 15 - 1º Of. 3, Pego, 03780, Alicante

but this address is different to that which we used on your last order for delivery.

Many thanks.

Kind regards

Kate Griffiths

Dear Kate,

We have reached an agreement with DHL, so we will give the collection order ourselves when they are ready.

I only will need the sizes and weight of the boxes, and the pick-up address.

Dear Ryan, I hope you find well !!

We are preparing a new order for CO2 lines.

It would be possible to add some samples of references we are not selling currently?

Some customers want to check which one is best for its particular case. When they choose the correct one we start to ask you for that reference too.

So, may I write you some references in order you add in the order some units of each?

Thank you
