Excellent, lets splash the cash then and go Express Saver then please, It's easier for Ashley to take delivery.

Have a great weekend

Kind regards

Mike

No problem - we just have a memo on your account which states we should always ask your preference before shipping, in case anything is required urgently :)

Express Saver arrives the next working day before noon and is £15.00. Standard also arrives the next working day but can arrive anytime up to the end of the day - this is £10.00 - yes we have everything in stock :)

Kind regards

Please note: My working days are Monday, Tuesday and Friday 9.30am-3.00pm

We are currently working remotely however telephone calls to the main office will still be answered.

Hi Sophie,

I don't understand the difference in the shipping methods, sorry.

Have you got everything on the order?

Kind regards

Mike

Hi Mike,

No that's fine :) I can use your email as confirmation of the part you require

I will process your order now - do you require it shipping via UPS Express saver or Standard?

Kind regards

Hi Sophie,

I'm glad I asked, yes please it is 2520001 1.5m (in stock)

They will do nicely please.

I'll modify our parts listing to reflect this

Do you want me to update the order?

Kind regards

Mike

Hi Mike,

Thank you for your order :)

I am having trouble finding which leads you require using the part number given on your order

Is it the press stud leads you require? 2520000 0.9m (**no stock**) or 2520001 1.5m (**in stock**)?

<https://www.viamed.co.uk/uk/?uid=&sessionid=&g=&i=2&mobile=&page=catagory&cat=366&subcat=479>

I'll await your reply :)

Thanks

Kind regards

Hello,

It's Friday it must be awkward order day. . . so here is our contribution.

Please double check my details on the DB£ neuro muscular stimulator leads, we normally have croc clip ends but these need to be ECG Tap/nipple ends please.

Have a great weekend and please let me know if I need to change anything

Kind regards

Mike
