Good morning Sarah

I am just looking into this for a colleague, so the new price is £43.70, so this will be £104.00 with VAT? Is this correct?

If so will you update the price or do I need to do anything further?

Thank you for your purchase order, 000258043.

Please be advised that the unit price is incorrect and should be £43.70.

Your order has been placed on hold until you advise that you are happy to proceed.

I have also attached an up to date price list for all our products for your reference

Kind Regards
