Good morning Ari,

Thank you for your email. The price of part number 0110431 - Oxygen sensor MAX-250A is €65.60 each EXW. This item is currently in stock.

If you would like a proforma invoice detailing carriage charges (UPS) and insurance, I would need your delivery and invoice addresses in order to set up a new account for you. Payment is accepted by bank transfer or PayPal, (which incurs a 6% fee of total order).

Please let me know if I can be of any further assistance.

Many thanks.

Kind regards

Kate Griffiths

Good morning Ari,

Thank you for your enquiry.

We do not have a distributor for the VET monitors in Finland.

Please could I ask if you are a clinic or a distributor? Then I can

advise you further.

Many thanks.
