Hi Kate,

Thank you for your reply.

The correct address/name for both invoice and delivery would be the following:

Victor dos Santos Junior  
Rua Cosme Velho 315/207 A  
Cosme Velho - Rio de Janeiro, RJ  
22241090  
Brazil

Regarding the time of delivery, is it possible to send in a faster option? Such as UPS or Fedex.

Thank you!

Kind regards,

Tatyana K.

Good morning Tatyana,

Thank you for your enquiry.

The price of the UFO 130-2 oxygen sensor, part number 0110081 is \$187.85 each EXW. The lead time would be approximately 5-6 week from date of payment.

If you would like a proforma invoice **detailing carriage charges, PayPal fee and insurance**, I would need your delivery and invoice addresses in order to set up a new account for you.

Please let me know if I can be of any further assistance.

Many thanks.

Kind regards

Kate Griffiths

Dear Kate,

My name is Tatyana and I have come to get to know ViaMed by a recommendation of a colleague called Heron Bomfim (as per the pro forma attached).

I am also interested in purchasing the same Oxygen sensor to Brazil but to the state of Rio de Janeiro for aviation purposes. I would like to know if that's possible and how much it would cost for a quick delivery and for payment by paypal.

Thank you in advance!

Kind regards,

Tatyana K.
