Dear Sarah,

My customer just rang regarding R-48V sensors, and he accepted them so please put them back on the same order number.

I will also give you a new order number for R-30V sensors to be sent along with all back ordered sensors ASAP.

Dear Piotr,

I have removed the R-48V sensors from your order.

Steve is currently looking into the R-24MED sensors for you. As soon as I have more information I will let you know.

Kind regards
