Hi Pieter,

Due to you requiring sensors urgently, we have been working extremely hard to produce a batch of sensors sooner for you. The good news is that we are aiming to have them ready for either Friday or Monday.

Please can you advise which shipment service you require for PO 4536008755 (balance of 300 sensors) and PO 4536009131 (100 sensors).

Kind regards

Sarah Walton
