Dear Georgi,

Unfortunately we are having a supply issue with the PCB's for the R-24MED.

We can however offer an alternative sensor which is the R-49V. This is the direct replacement of the R-24MED. The price of this sensor is €36.00 each but we do have plenty in stock.

Please can you confirm if you would be happy to accept these instead?

If you have any further queries, please do not hesitate to contact me.

Kind regards

Zoey Teal
