Dear Mr. Lamb:

Per your request, please find product information, drawings and material specifications enclosed for the following products:

BE 125-1TD	Disposable Tee Adapter
BE 117-W	Disposable Tee Adapter
BE 145-1522P	Reusable Hose Connector
BE 145-2230P	Reusable Hose Connector
BE 105-10	FIO2 Sensor Adapter
MT 100	FIO2 Sensor Activation Sys.
MT 100-TA	Replacement Tee
MT 100-A	Replacement Activator

I have experienced some difficulty attaining regulatory information on some of our colorants. I am still working on that. All of our resins have been approved in a 510(k) or have been 'grandfathered'.

I hope this information will help get the process started.

Should you have questions or need additional information, please do not hesitate to contact me at (412) 854-1133 ext. 433 or via email at tricia.wood@instrumentation.com.

Best Regards,

Tricia Wood
Manager, RA/QA
