Hi David,

We would need to put your order on and as you are a proforma customer, my colleague Cathy Green would ring you to take payment (if you would like to pay by card). We are unable to take the payment at the office in person.

If you let me know your requirements, I can send you a proforma invoice and if you are happy with it, I would make it a confirmed order and Cathy could ring you to take payment. She could then discuss with you when it would be available for collection.

Please let me know if you require any further assistance.

Many thanks.

Kind regards

Kate Griffiths
