Subject: Re: FW: Request for airfreight to SVO

Hi Tony,

We need the delivery address to be confirmed before we can proceed. We need this information for the commercial invoice. Can you confirm this information? Is the delivery address on the PI I have attached correct? I have asked our customer but he has not confirmed.

Kind regards

Sarah Walton

Customer Service Representative

Please note: We are working remotely however telephone calls to the main office will still be answered.

Our office opening hours are Monday - Friday 8.30am - 5.30pm.
