Yes, please send both with DHL. Do not use UPS anymore for our orders.

Good afternoon,

I have just noticed that your first order is via DHL and your second via UPS, but we were planning on shipping them together when stock is available.

Am I ok to change one order so they both show the same courier please? If so, which would you prefer?

Many thanks.

Kind regards

Kate Griffiths

Thank you Mateusz,

As we are waiting for the same stock item for both orders, they can be shipped together, providing we have received payment for this order when stock has arrived. Please see attachment to be made.

Many thanks.

Kind regards
