Dear William,

I can confirm that the sensor in the picture is the MAX-550E (the E is hard to see in black).

This is the correct sensor to use with the MaxBlend.

If you have any further queries, please do not hesitate to contact me.

Kind regards

Zoey Teal

Dear Zoey,

Thanks for the Confirmation order. Kindly confirm before dispatch that Oxygen sensor cell Max 500-E can be used instead of Max 550 on MaxBlend2 . The Equipment was supplied initially with Max 550 , the photo of which was emailed to you earlier.

Kind Regards,

William W. Omolo

Hello Kennedy,

Please find your order confirmation attached.

If you are happy with the confirmation, I will process and pass to the warehouse.

Please note there is a high demand for orders at the moment as Christmas is approaching but we will ship your parcel as soon as we can.

If you have any further queries, please do not hesitate to contact me.

Kind regards

Zoey Teal

Hello Kennedy,

Thank you for your email.

In order for me to supply the correct sensor, please can you confirm which equipment you will be using for the sensor in? Is it for the Maxblend?

I am currently putting together your quotation for the Blenders and will email it over shortly.

If you have any further queries, please do not hesitate to contact me.

Kind regards

Zoey Teal
