Good afternoon Dvaid,

Thank you for your email.

We have a few different sensors for the Puritan Bennett 840 Ventilators but these would depend on the version you have.

Please can you confirm which sensor you are currently using?

If you have any further queries, please do not hesitate to contact me.

Kind regards

Zoey Teal

Please note: My working days are Monday to Thursday, 7.45am-6.00pm.

**We are currently working remotely however telephone calls to the main office will still be answered.**

Good afternoon David,

Thank you for your reply.

I believe that the sensor you require is the MAX-250TM (part number 0110435).

1 = £ 68.00	2 = £ 64.60	3 = £ 61.20	11 = £ 57.80
-------------	-------------	-------------	--------------

I will copy a link below to our website so you can see for reference.

Hello David,

The price for 9 would be £61.20 each with free carriage.

If you require an official quotation, please can you advise me of the invoice and delivery address?

If you have any further queries, please do not hesitate to contact me.

Kind regards

Zoey Teal
