Dear Riju

Thank you very much for your email.

I have attached the brochure with the outputs of the sensors and the pricing. If you need to know which sensors are required for which machine, then you can use the cross reference on our website or send us an email with the information and we can come back to you with the most suitable sensors.

Best regards

Ryan

Dear Riju Eapen Mathew

Thank you very much for taking the time to visit our stand at Medica.

Further to your conversation with my colleague, please find attached some information relating to our O2 sensors.

Please can you let me know more about your requirements and so we can advise on how we might be able to help.

I look forward to your feedback and please let me know if you have any questions.

Best regards

Ryan
